AdvantEdge Plus[®] Pocket Collection

- New Highgrove unique AdvantEdge Plus[®] maximises the sleeping surface with total comfort and support right to the very edge
- AdvantEdge Plus[®] with improved airflow, ensures the mattress is constantly ventilated to minimise moisture build-up and keep it free from bacterial odours
- Deep Latex comfort layer provides instant pressure relief for those aching joints
- Advanced pocket spring system with individually encased pocket springs provides proper underlying support
- Designed as a no-turn mattress - please regularly rotate 180° to extend mattress life and performance
